Subject: RE: Air Monitoring Locations Map - Mayflower Oil Spill Response 4/4/2013
Date: Thursday, April 04, 2013 11:14:45 AM

Sounds good. I am working on it. Should have it ready soon.

Thanks

Subject: RE: Air Monitoring Locations Map - Mayflower Oil Spill Response 4/4/2013

Since this map is for the public to simply show where we are doing the air monitoring, I do not think we need the berm or vacuum truck locations on the map.... I would also take off the incident command post location... I would indicate where the spill source was...

I generated this from Flexviewer. Nicolas thinks it is a little cluttered so I will have Janine work on a clearer version.
